

# E-Book Collections for School Libraries

Support the digital needs of your patrons by offering anytime access to curated collections of e-books built by EBSCO collection development experts.

With hundreds of options available, it can be time consuming to review them all – so we've compiled a list of our most popular selections for school libraries.

## Need a custom collection?

Contact your local EBSCO representative.

## Subscription Collections:

When budgets are lean and your school needs a large number of high-quality e-books on specific subjects, EBSCO eBooks subscriptions are a great solution. These highly curated collections vary in quantity based on topic and offer unlimited user access.

### Cricket Media Collection

This unique e-book collection includes more than 850 titles covering a wide range of subjects designed to build strong literacy skills in young readers from pre-K to 8th grade.

### Education Collection

This collection features more than 4,800 quality e-books supporting students and faculty in the education discipline. It also includes support materials for teachers and professionals working in K-12 classrooms.

### High School Collection

Designed specifically for high school students, this collection of more than 13,200 titles offers an easy, cost-effective way for libraries to provide full-text e-books that align with their schools' curricula.

### History Collection

Support the research needs of patrons in the study of history with this e-book collection containing more than 20,600 high-quality titles.

### K-8 Collection

This collection contains nearly 16,000 e-books chosen to support a quality learning experience for K-8 students across all subject areas taught in elementary and middle schools.

### Public Library Collection

This core general reference collection of more than 51,700 hand-selected e-books features fiction and non-fiction titles for both adults and juveniles, as well as best-selling and highly recommended titles from industry-leading publishers.

### Sage Subscription Collections

In collaboration with Sage Publishing, libraries can subscribe to four unique collections of e-books through EBSCO that offer options for students looking for textbooks alternatives and quick reads covering essential topics.

## Featured Collections:

When the demand for access to a large quantity of e-books across a wide-range of topics is high, a perpetual collection is a smart choice. These sizeable e-book collections are suitable for corporations looking to select from and own hundreds of e-book options in a variety of categories.

### **AAUP Titles for High School and Public Libraries Collection**

This collection includes titles from the American Association of University Presses (AAUP) selected for public and secondary school libraries' bibliography. Topics cover the humanities, social sciences, science, technology, math, the arts and more.

### **Antiracist Reading for Youth**

This new collection allows children and teens to engage with concepts of racism, equality, and social justice through a mix of fiction and nonfiction titles. Topics include activism, the history of discrimination in the United States, and the Black Lives Matter movement.

### **Core Collections Recommended Titles for Young Readers**

Containing e-books at two recommendation levels, these in-depth collections cover fiction and nonfiction works, story collections, picture books and graphic novels.

### **Diverse Books for Youth**

This collection contains diverse books for youth, grades K-12. Titles are fiction and nonfiction, and cover many topics, subjects and interests.

### **DRM-Free Collections**

Browse dozens of compilations of e-books that are free of access restrictions.

### **Graphic Novel Collection**

Ranging in story and style, these three collections, Classics as Graphic Novels, Graphic Novels & Comics and Graphic Novels & Comics – History & Criticism, highlight some of the best, most popular titles for all readers, along with great titles about graphic novels.

### **K-8 African American History**

A collection of eBooks covering a wide range of historical topics and notable people, from activists and politicians to athletes and performers.

### **K-8 Asian & Asian American Collection**

Offer young readers non-fiction eBooks that support women's history curricula.

### **K-8 Indigenous History & Culture**

Support indigenous studies curricula with this collection of fiction and non-fiction eBooks dedicated to indigenous and ethnic studies.

### **Lexile® Leveled Titles Collections**

Ensure students are on track for grades K-4, with levels up to 810L; grades 5-8, with levels from 565L to 1100L; and grades 9-12, with levels from 855L to 1210L.

### **Popular Young Adult Fiction**

This collection offers best-selling, high-demand, popular fiction titles for young adult readers, covering a broad range of subjects to suit a variety of reader interests.

### **Popular Juvenile Fiction & Nonfiction**

These two collections offer best-selling, high-demand popular fiction and nonfiction titles for juvenile readers, covering a range of subjects such as biography, history, sports and science.

## **Subject Sets:**

With thousands of best-of and best-sellers lists available, it can be hard to select e-books that meet the needs of your entire school in a timely fashion. Subject sets offer reputable collections that can be quickly viewed, easily purchased and accessible to employees in minutes while assuring quality coverage of important subject areas.
