

Using NoveList for Book Club Helpers

Book Discussion Guides

NoveList's Book Discussion Guides are great for breaking down the plot and even include sample questions. Discussion group leaders can reference our included answers to further the group's conversation!

TRY IT

Enter the **book title** in the search box

Click **Search**

Click the **Lists & Articles** tab to find available guides

For the full list of guides by hover over **Quick Links** in the top toolbar, then select **Book Discussion Guides**.

These guides even include further reading suggestions!

Articles on book clubs

NoveList has lots of articles on managing your book clubs, from tips to get you started to suggestions for new book club ideas.

TRY IT

With Keyword selected, enter **book clubs** in the search box

Click **Search**

Click the **Lists & Articles** tab

Power user? Use field code TT to search for words in article titles (ex. **TT "book club"**)

Recommended Reads lists

Find the very best book club reads with our Best Bets for Book Club Recommended Reads lists. These picks are hand-selected by NoveList staff, and are sure to satisfy all the members of your book club!

TRY IT

Enter **"book club best bets"** (with quotes) and click **Search**

Click the **Lists & Articles** tab to find two Recommended Reads lists, one for adult fiction and the other for adult nonfiction (in NoveList Plus only).

Use reviews for new books

When you are struggling to find your next book club book, try looking in book reviews. Search for reviews that say a book is great for a book club, or books with starred reviews. Use the RV field code to search the text of reviews.

TRY IT

Enter **RV "book clubs"** or **RV "starred review"** (with the quotes) in the search box

Click **Search**

Use the **appeal terms** and **limiters** on the left to narrow down your list.

When to use:

Librarians: Looking for some fresh, new ideas for your library book clubs?

Readers: Need a book suggestion to bring to the members of your book club?
