

The Data Song

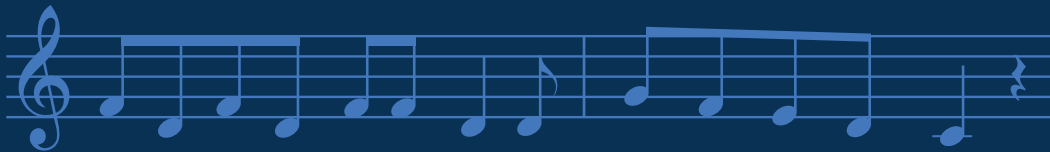

I need a lit-tle da-ta, I need it now to-day, I'll

find it in the lib-ra-ry, then I shall say hoo-ray! Oh,

da-ta da-ta da-ta, I need some more to-day,

Lib-ra-ri-ans will help me, so I shall shout hoo-ray!

The lib-ra-ry is han-dy, it's so clear to see,

Ev-en when I'm ti-red, dai-ly vis-its are the key!

Lib-ra-ri-ans are help-ful, they give such great ad-vice, they

know good in-fo sourc-es, so dai-ly vis-its should be twice!
